

Apartment for sale in Forum/Diagonal Mar/ San Martin area

Ubicación: ,

Discover your new home in the heart of Diagonal Mar/Front Marítim del Poblenou! This spacious 98 m² apartment, located on a south-facing second floor, offers you the perfect combination of comfort and style. With 3 bedrooms (2 doubles and 1 single) and 2 full bathrooms, it is ideal for families or for those looking for extra space. The kitchen is fully equipped, ready to inspire your best recipes. It also has a cozy interior patio, perfect for relaxing after a long day

The property has been carefully maintained and features aluminum/climalit carpentry and stoneware floors, guaranteeing durability and elegance. Access for people with reduced mobility and the elevator ensure comfort for all residents. Built-in closets and an armored door add an extra touch of security and functionality. Excellent public transport connections make it easy to get around the city.

Located in a strategic area with unobstructed views, this apartment is surrounded by shopping centers, hospitals and universities, offering all services within easy reach. Built in 1977, it is in good condition and has natural gas electric heating. With an energy class E and CO₂ emissions class A, this home is a sustainable option for those who value the environment. Don't miss the opportunity to live in one of Barcelona's most vibrant neighborhoods, come visit and fall in love!
