

Live in the ONLY resort with direct access to the sea and the best Beach Club in Europe.

Ubicación: ,

Located in a unique setting on the Costa Dorada, it will allow you to enjoy a lifestyle based on tranquility, comfort and sustainability, in a natural setting by the sea and with all kinds of services with three golf courses, a wide range of gastronomy and the best Beach Club in Europe.

A private resort integrated in nature and in an unbeatable location, 10 minutes from Tarragona and 1 hour and 20 minutes from Barcelona. The project has been designed by the renowned architectural firm Batlle & Roig, resulting in a spectacular set of sustainable homes where the natural style is the protagonist. We believe in energy efficiency, water saving and responsible use of resources. This is reflected in our residential and proof of this is that we have obtained the BREEAM certificate for sustainable construction.

This private resort has in its residential offer: 34 single-family homes (20 semi-detached and 14 semi-detached).

The homes include services such as comprehensive maintenance of common areas, 24-hour surveillance and security, resident care service, gym, Kids Club, 11 kilometers of secondary roads integrated into nature for walking, jogging or cycling and exclusive benefits such as a program of monthly activities for adults and children focused on nature, wellness or gastronomy.

Ask for a visit and start living a UNIQUE experience.
